

3 Place the right hand flat on the paper. Lay the edge of the forefinger along the fold with the crotch of the thumb against the cut edge (*).

4 With the table on the right side, you can read off your size. If you are between two sizes, please choose the larger size.

US	S	M	L	XL	XXL	3XL
EU	7	8	9	10	11	12
	7.8cm	8.6cm	9.4cm	10.2cm	11cm	11.7cm

1 Cut as far as the solid yellow line.

2 Fold the hatched area on the right along the solid yellow line so that it is standing upright (at 90 degrees).

Important information:

Please print the size chart in the original measure on **A4 paper** and make sure, that the option **„Fit on page“ is deactivated**. Check by the measure line on the right, if your print has the right size. Only like that, we can guarantee, that you can find the right size with our size chart.
